D. C. Docket No. 05-00046-CR-5-RS

UNITED STATES OF AMERICA,

Plaintiff-Appellee,

versus

WILLIE CHEVELL CAMERON,

Defendant-Appellant.

Appeal from the United States District Court
for the Northern District of Florida

(December 26, 2006)

Before BIRCH, CARNES and COX, Circuit Judges.

PER CURIAM:

Spyro Theodore Kypreos, appointed counsel for Willie Chevell Cameron on this direct criminal appeal, has filed a motion to withdraw on appeal supported by a

brief prepared pursuant to *Anders v. California*, 386 U.S. 738, 87 S. Ct. 1396 (1967). Our independent review of the entire record reveals that counsel's assessment of the relative merit of the appeal is correct. Because independent examination of the entire record reveals no arguable issues of merit, counsel's motion to withdraw is GRANTED, and Cameron's conviction and sentence are AFFIRMED.¹

¹Count One of the indictment, to which Cameron pled guilty, charged conspiracy to possess with intent to distribute cocaine, marijuana, and methamphetamine (R.1-24). He only pled guilty to conspiracy to possess with intent to distribute methamphetamine (R.3-84 at 14, 27-28). The written judgment, however, lists the nature of the offense as conspiracy to possess with intent to distribute marijuana, cocaine, and methamphetamine. (R.1-72 at 1.) Therefore, the judgment does not correctly reflect the offense of conviction. While this error does not undermine Cameron's conviction or affect his sentence in any way, the district court is instructed to correct the written judgment to properly describe the offense of conviction as involving only a conspiracy to possess with intent to distribute methamphetamine.
